For all professions regulated under chapter 456, Florida Statutes (F.S.), the collection of Social Security Numbers is required by section 456.013 (1)(a), F.S.** Social Security Numbers are used to allow efficient screening of applicants and licensees by a Title IV-D child support agency to assure compliance with child support obligations. ## **Regarding Prior Criminal History and Disciplinary Actions**

The Florida Board of Pharmacy receives numerous questions from applicants regarding prior criminal offenses. The following are the most frequently asked questions:

**Question:** What crimes or license discipline must be reported on the application?

**Answer:** All convictions, guilty pleas and nolo contendere pleas must be reported, except for minor traffic violations not related to the use of drugs or alcohol. This includes misdemeanors, felonies, “driving while intoxicated (DWI)” and “driving under the influence “(DUI).” Crimes must be reported even if they are a suspended sentence. All prior or current disciplinary action against another professional license must be reported, whether it occurred in Florida or in another state or territory.

**Question:** Can a person obtain a license if they have a misdemeanor or felony crime on their record?

**Answer:** Each application is evaluated on a case-by-case basis. The Board of Pharmacy considers the nature, severity, and recency of offenses, rehabilitation and other factors. The Board cannot make a determination for approval or denial of licensure without evaluating the entire application and supporting documentation.

**Question:** Do I have to report charges if I completed a period of probation and the charges were dismissed or closed?

**Answer:** Yes. Offenses must be reported to the Board even if you received a suspended sentence and the record is now considered closed.

**Applicants with previous arrest or disciplinary action on a license will not be authorized to practice pharmacy until all documentation is cleared by staff or reviewed by the Board.**
